GRADING PERMIT QUESTIONNAIRE

This questionnaire is designed to help the Department of Public Works determine whether a grading permit is required for your proposed project. Please answer all the following questions, provide project information, and sign the questionnaire.

The following questions apply to grading activities associated with your project, but does not apply to work to be done within the footprint of your building if this questionnaire is being completed in conjunction with a Building Permit. For example, do not consider excavation for a basement – the Building Permit covers that; but do consider excavation for a driveway to a garage in the basement.
